The time is now!

Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free. - Ronald Reagan

We have all seen the damage being done to our society by the Democrats in Washington, DC, and the lack of progress that occurs when Republicans have only a narrow majority in the Texas Legislature. The November election is less than 100 days away, and it is time for you to decide if you are going to remain on the sidelines and hope things get better, or join us in the battle to restore sanity to Washington, break the logjam in Austin, and preserve common-sense conservative leadership in Williamson County. Whether it is walking door to door, helping staff a booth, helping at headquarters, phoning voters from your home, attending rallies, building / installing signs, investing financially in our party, or assisting in other ways, there is a place for you to help. Please contact the party today, or your favorite candidate(s) to learn more about how you can help make Tuesday, November 2nd, a day to remember for generations to come.
