## Nancy Rister

Nancy Rister has been your County Clerk for 24 years bringing home 23 years (so far) of awards from the State of Texas Vital Statistics Section of the Department of State Health Services.

She believes in using technology to be the most efficient office possible. This eliminated scanning, and the handling of paper for processing and mailing. Nothing gets lost in the mail when it is filed electronically.

The increased volume due to our county's growth keeps her staff of forty-four very busy. Clerk's offices are hard working as is Nancy. She has always juggled her time between priorities. She has a strong work ethic learned from her mom and dad in a small West Texas town.

Going to college while working 40 hours per week presented a challenge but objectives can be accomplished when you set your mind to it. After obtaining her bachelor's degree in Accounting and Information Systems she became involved in civic clubs like the local battered women's shelter.

Married for 39 years with two daughters and four grandchildren, she juggles family and work priorities.
